Neurons

- -speed of nervous system vs endocrine
- -based on electrochemical signals
- -know chart of nervous system with divisions (and what mean)
- -glial cells
- -what does a neuron do?
- -bundles of neurons make up nerves

PARTS and FUNCTION of:

- -dendrite
- -axon
- -axon terminal /nerve ending / axon ending
- -Node of Ranvier
- -Myelin Sheath
- -cell body
- -Schwann cell
- -direction of nerve impulse
- -neurilemma
- -purpose of myelin sheath
- -spinal cord grey matter has NO Myelin
- -3 types of neurons
- -know the RELEX ARC
 - -effector vs affector
 - -job of interneuron
